REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY

The Library continues to serve a most useful purpose and considering its size, doing it well. We regret to note a slight falling off in the number of books taken out in comparison with last year, but in as much as the circulation in the past three years has nearly trebled over previous years, perhaps we could not expect it to go on increasing at the same rate year after year.

The Reports of the Librarian and Treasurer follow:

John D. Kelley

Auditor

July 10, 1939

To the School Board and Citizens of Sandown:

I herewith present my first annual report as Superintendent of Schools

As you know, the school year runs from July 1st to June 30th, and as this report is to cover the school year from July 1st, 1938 to June 30th, 1939, there is very little for me to report on. I do wish to express my thanks to Mr. Bowley for his kindness in introducing me to the various problems of the Union. I am trying to carry on the splendid work he has been doing, and studying into the problems of education as they appear in your community.

Both of your teachers are well qualified and are doing a good job. The atmosphere in both schools is healthy and happy, and it is only in such an atmosphere that a truly character building type of education can take place.

I would like to suggest this thought, that the ideal thing for Sandown would be one centralized school. It would do two things for Sandown; it would make a larger group of pupils, and that is a real benefit in helping to socialize youngsters. Secondly, experience has proved, that over a period of years it is less costly to operate one large plant, than it is to operate several smaller units.

Those pupils who are faithful and persistent enough to have perfect attendance for a whole year are worthy of special mention. This honor goes to:

Pupil	Parent
Milton Phillips	Marshall J. Phillips
Norma Phillips	Marshall J. Phillips

The following information gives a brief summary of statistical data about the school year 1938-39.

Average percent of attendance	94.18

Number of pupils enrolled	51
Average membership	49.98

Pupils now in High school (Sept. 1939)	13

Visits by School nurse	34
Visits by others	108

The following chart gives a comparative picture of the Per Pupil Cost in the Union and will be, I hope, of interest to the citizens of Sandown.
